

Technical Second

• The technical information is important

• just not necessary on day one

• Easy to grasp concepts when we have a frame of reference

• Like trying to learn grammar before we know simple phrases

Bonjour!

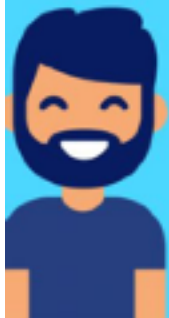

Привет!

Hi!

Hej!

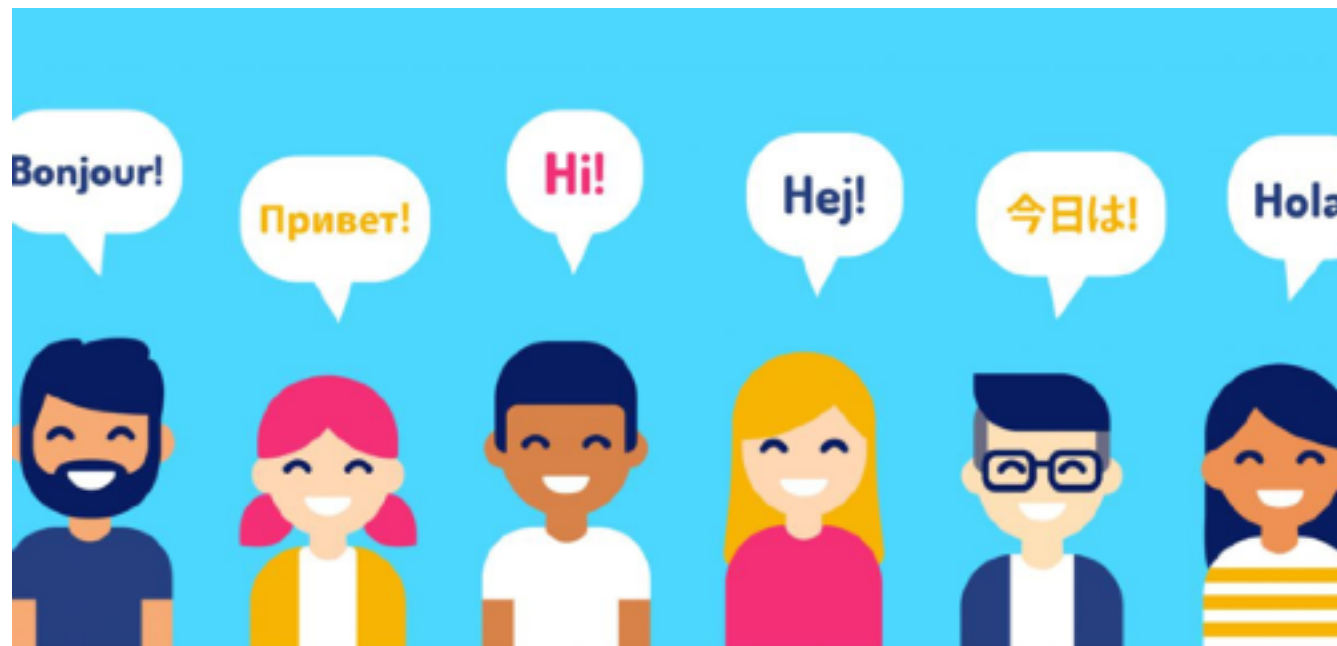

今日は!

Hola!

Technical Second

- The technical information *is* important
 - Just not necessary on day one
- Easier to grasp concepts when we have a frame of reference
- Like trying to learn grammar before we know simple phrases
