

1) Get Through the Beginner Stage

YouTube videos

online courses

• Don't just watch!!!

- Work along side and play with the code

• Try and build things you see on sites

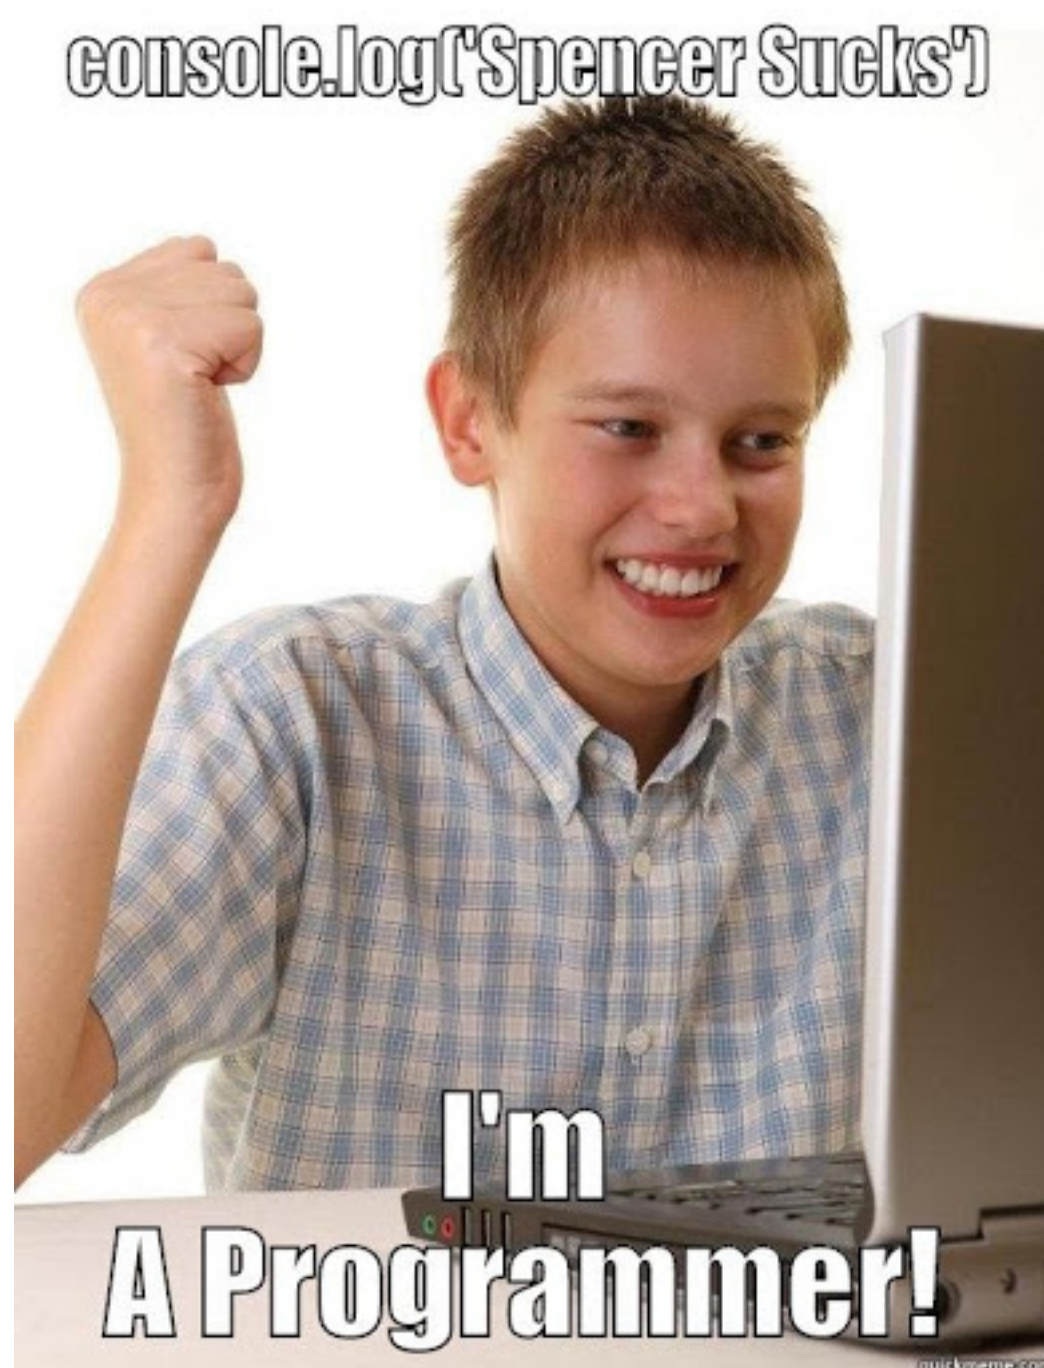

- Cool search bars, hover effects, etc.

`console.log('Spencer Sucks')`

A young boy with short brown hair, wearing a blue and white plaid button-down shirt, is sitting at a desk. He is smiling broadly and has his right fist clenched in a celebratory gesture. In front of him is a computer monitor and a keyboard. The background is plain white.

I'm
A Programmer!
